With reference to your letter dated ..... an Application Form is being sent herewith. It should be filled in by the candidate in his/her own handwriting after carefully going through the enclosed rules and conditions, and returned to the above address for consideration of the Trust. No column should be left blank.

The scholarships are given to deserving students for pursuing higher studies (beyond higher secondary level) in India. The Trust expects them to maintain good results and therefore students obtaining lower than first divisions in their annual examinations have relatively lower chance of being considered.

Applications would be received upto 31st July every year and scholarships would be announced by end of September. Only successful candidates will be informed. Applicants who do not hear of the grant by the end of October and wish to make an enquiry about the same are requested to send a pre-stamped self-addressed envelop without which no reply would be given.

Incomplete forms are liable to summary rejection.

The decision of the Trustees shall be final, and no claim or correspondence shall be entertained in that respect.
